"DO SOMETHING ABOUT IT!"

Taught by Dr. Bryan E. Crute

"Learn to do good. Seek justice. Arrest oppressors. Defend orphans. Plead the case of widows." Isaiah 1:17 (GW)

"God not only helps us recognize what is wrong but also invites us to help make it right."

Sometimes To Make Lasting Public Change, I Must...

1. **Bring Forward** what **Needs To Be Made Right.**
   "Why should our father's name be allowed to die out in his family because he had no son? Give us property among our father's relatives." Numbers 27:4 (GW)

Personal Problem

(What happened?)

Recognize and clearly identify the problem affecting me or others.

"Why should our father's name be allowed to die out in his family because he had no son?" Numbers 27:4 (GW)

U nderstand The Issue.

(Why is this happening?)

Look beyond the immediate experience to understand what may be causing the problem.

"...*because he had no son?*" Numbers 27:4 (GW)

B ring The Issue Forward.

(Who needs to hear it?)

Take the concern to someone who can help address it.

"One day the daughters of Zelophehad came to the entrance of the Tabernacle to give a petition to Moses, Eleazar the priest, the tribal leaders, and others who were there." Numbers 27:1 (TLB)

"So Moses brought their case to the LORD,..." Numbers 27:5 (GW)

"Sometimes what happened to you is personal but the cause is systemic."

🔎 **Think About This...** *"What issue affecting people do I see that I can no longer simply recognize, complain about, or discuss—but need to help bring forward so something can change?*

"You are an image maker...creating wealth, attracting resources, and transforming lives for God's glory!"
