Intentional Life Center

"DO SOMETHING ABOUT IT!" (pt 2)

Taught by Dr. Bryan E. Crute

"Learn to do good. Seek justice. Arrest oppressors. Defend orphans. Plead the case of widows." Isaiah 1:17 (GW)

"God not only helps us recognize what is wrong but also invites us to help make it right."

Sometimes To Make Lasting Public Change, I Must...

- **Help Make It Right and Keep It Right.**
  "But let justice flow [roll] like a river, and let ·goodness [righteousness; justice] flow like a never-ending [ever-flowing] stream." Amos 5:24 (EXB)

L **eadership Listens.**

(Who needs to listen?)

Give serious attention to concerns brought forward by people who need help.

"So Moses brought their case to the LORD,..." Numbers 27:5 (GW)

I **nvestigate The Issue.**

(What is right and fair?)

Examine the concern carefully and seek a fair decision.

"The LORD said to him, 'The daughters of Zelophehad are right. They should share the land with their father's brothers.'" Numbers 27:6-7b (ERV)

Correct The Harm.

(What needs to be made right?)
Change the unfair practice so others are not treated the same way.

"So give them the land that you would have given to their father." Numbers 27:7c (ERV)

Change The System.

(What must change for others?)
Change the unfair practice so others are not treated the same way.

"Moreover, this is a general law among you: If a man has no son, when he dies everything he owns will be given to his daughter." Numbers 27:8 (TLB/ERV)

Keep It Right.

(Is the change being carried out?)
Make sure people follow through and put the change into practice.

"So Joshua gave them a grant of land along with their uncles, as the LORD had commanded." Joshua 17:4 (NLT)

🔎 **Think About This... "***What needs to change—not just for someone today, but for others who may face the same problem tomorrow?"*

🎗 **Remember This... *"Correcting an unfair practice helps people today. Changing it and ensuring the change is enforced helps protect others tomorrow."***

"You are an image maker…creating wealth, attracting resources, and transforming lives for God's glory!"
